

North Vancouver Island PCI Health Society
(Kwakwaka'wakw First Nation Primary Care
Initiative (FNPCI))

JOB POSTING

Primary Care Certified Practice Registered Nurse

Location: Port Hardy/Alert Bay/Kingcome/Gilford

Full-Time – 35 hours per week

Pay Range: \$41.42 to \$53.50/hour

The North Vancouver Island PCI Health Society (also known as Kwakwaka'wakw First Nation Primary Care Initiative FNPCI) and its employees are committed to a proactive holistic approach to health and wellness, and to the delivery of primary care services to the North Vancouver Island Communities.

The Primary Care Certified Registered Nurse works in accordance with vision and values of the North Island Society and relevant provincial legislation and nursing standards set out by BCCNP (BC College of Nursing Professionals). The Primary Care Certified Practice RN provides autonomous care for conditions set out in BCCNP Remote Practice DST's as well as any other Certified Practice designations. Responsible for providing non-emergent primary and preventative services.

Education, Training & Experience:

- Bachelor's degree in nursing. Master's degree in nursing preferred.
- Existing Remote Certified Practice Certification or ability to attend UNBC Remote Practice Course – complete minimum 1 year return of service for the training
- STI and Contraceptive Management and pelvic exam certification an asset
- Emergency, public health and mental health and addictions nursing experience an asset
- Two (2) years relevant clinical experience.
- Valid BC Driver's License
- Vulnerable Sector check

Knowledge, Skills and Abilities:

- Experience working with trauma informed, culturally sensitive perspective
- Knowledge and understanding of Kwakwaka'wakw culture and values; and impacts of colonization.
- Experience working with First Nations, preferable within the North Vancouver Island region.
- In-depth knowledge of cultural safety and humility.
- Knowledge of nursing process.
- Knowledge of evidence based clinical nursing practice.
- Physical ability to perform the duties of the position.
- Willingness and ability to travel frequently over rough road, by float or small plane by boat or helicopter.
- Willingness and ability to be assigned to health centres on an emergency basis and/or on short notice.
